Poll: District 7 Commissioner

Christie Paulson

Christie Paulson was named as the Cal South District Commissioner, after previously serving as an Assistant District Commissioner for some time. Christie has held many positions within the soccer community over the past 28 years. Starting her career as the assistant commissioner for AYSO region 254, she parlayed talent and ability into Cal South. Christie owned and actively managed her own competitive soccer club for 17 years. She was elected as President of El Camino Real Soccer League, a playing circuit in Southern California. She was approved by the DOJ to take fingerprints for Risk Management on behalf of Cal South. She has an "E" coaching license and went thru the Grade 8 referee clinic.

Christie has been married to Bob for 31 years. They have 5 children between them, with 7 grandchildren and two great-grandsons.. They have made their home in Burbank for the past 38 years. Softball is the sport of choice for their granddaughters, so they follow the scheduled games when they can attend. Both Great Grandsons are following the baseball trend. Too much fun to watch.

Christie has found her way to work with rescued Wild Mustangs at a sanctuary in Malibu and Oregon. These horses are amazing and given the correct environment, come into themselves wild, thriving and elegant. They are pure love with no questions or agendas.

It is my continuing pleasure to serve the membership of Cal South.
