Dear CalSouth Soccer Community:

I am seeking to serve as an elected member of the CalSouth Board of Directors as Vice President of Youth. I have served since March 2018 as an appointed interim board member. My belief is that I possess the experience and knowledge to help guide CalSouth to better serve the membership. I have served as a member of the CalSouth Foundation. As a soccer player, coach, referee and a parent, since 1980 in the San Diego area, I have seen the growth of the game and understand the challenges to continue the growth and success of the game in Southern California.

For the past 30 years professionally, I have worked with diverse communities to build, grow and thrive. My focus will be to improve the partnership between the CalSouth membership, staff and the Board of Directors. I am committed to provide our members with quality operational services and products that effectively and efficiently assist clubs and leagues, to enhance safety of the soccer community, to expand the playing, development and educational opportunities for the CalSouth soccer community. Together, we will move CalSouth soccer community forward to a fun, affordable and safe environment.
