**Poll:** District 5 Commissioner

**Louie Da La Cruz**

My name is Luis (Louie) De La Cruz, I am currently the District 5 Commissioner and have been for the past 2 ½ years. While being commissioner I have met many of the district administrators, parents, coaches, players and volunteers that make our district unique.

As a Cal South District Commissioner, I have had the opportunity to meet with the people and organizations that govern soccer not only in California but at the national level.

The last 2 years have brought many changes to our soccer world especially within the younger age divisions encouraging small sided games, concussion policies and playing rules. There may be further changes in the future and I believe I can help our leagues with these changes and provide a smooth transition.

Our recreational tournaments continue to be a success with an elevated level of participation. We can encourage new competitive clubs giving our youth more opportunity to become involved in all areas of the district. With this growth affiliates will need help in understanding the rules and policies of Cal South and I can help them navigate these areas.

We offer TOPSoccer programs giving those with disabilities the chance to enjoy the activities and joy of soccer. My hope within the next 2 years is to re-energize the Signature League Program within the district.

I would appreciate your support this coming election and look forward to serving as your District Commissioner.

Luis De La Cruz  
District 5 Commissioner
