**Robert Pennoyer**

I am an executive director in the defense industry with over 30 years experience in organization and program management. After playing into high school, I returned to youth soccer following my daughters through recreational and competitive teams. I have over 15 years with AYSO including the last ten as Area Referee Administrator and Asst Section Referee Administrator. I am a Grade 7 Referee and have been a coach at the competitive level with a current D License. More recently I have served on the board of OVC as Treasurer and President. In addition, I serve on a number of boards and commissions. I am an executive member of the East County Economic Development Council and Foundation(2nd Vice Chair), National Defense Industry Association Chapter Board and Legislative Affairs Committee, San Diego Military Advisory Council Board and Navajo Ridge Home Owners Association. I am directly familiar with the requirements of 501.c3 and c6 organizations and therefore believe I can help further the objectives of CalSouth.
